Erzhlt werden die College Jahre von Robin, Tracy und Angie, die alle aus zwar begterten, aber sehr unterschiedlichen Familien stammen. Robin treibt sich

gern bei heimatlosen Jugendlichen in NYC herum und hat geschworen, sich nie mit Prinzessinnen einzulassen. Tracy, die Southern Belle, stammt aus North Carolina und hat sich dort eine Scheinidentitt aufgebaut. Sie hat eine Vorliebe fr ltere Frauen. Angie stammt aus einer Politikerfamilie und hat eine Neigung fr Sportlerinnen. Diese 3 treffen am College in Boston aufeinander. Robin und Tracy (die Prinzessin) entwickeln eine Zuneigung zueinander, obwohl sie anscheinend sehr verschieden sind. Freundschaft entwickelt sich zu Liebe, die allerdings harten Bewhrungsproben ausgesetzt wird.Das Buch ist sehr anschaulich erzhlt, die Sexszenen sind explizit, aber liebevoll geschrieben. Die Autorin gibt uns schlielich noch einen Einblick in die weitere Entwicklung der drei Freundinnen, nachdem sie das College beendet haben. Dieser Ausblick fllt fr meinen Geschmack etwas zu rosarot aus, ist aber Geschmacks Sache.Insgesamt empfehlenswerte Lektre fr diejenigen, die gerne lesbische Romanzen unter jungen Erwachsenen lesen.1 von 2 Kunden fanden die folgende Rezension hilfreich. About love and friendshipVon CustomerThis is an amazing story about friendship and love and what can cause these feelings. The main characters are well defined and really good to imagine. The author addresses several issues that gay youth have to fight without being too moralistic. The emotional rollercoasters as experienced by the three teenagers, are very well understood. The story is written intensively and very fluid. Thanks Cindy Rizzo

For Robin and Tracy, it's the rules they set for themselves as they begin their first semester at Adams University near Boston. Robin is determined to hide in her room writing until she can get back to her homeless gay friends in New York City, whose easy exchange of sex and friendship inspires her creativity. She's sworn off perfect princesses like Tracy Patterson, no matter how attractive she finds the mysterious Southerner on her hall with the long blonde hair and tight jeans. And Tracy has no interest in cynical, smart-mouthed Northerners like Robin. She has her own set of rulesfine-tuned back home in North Carolina where she had a fake boyfriend and an uncomplicated string of older female lovers, including her mother's best friend. Here at college, she already has her first conquest planned, and it's certainly not Robin Greene. This is a love story about two young women who can only find their true selves by finding one another. But are Robin and Tracy willing to give up all they think they know in order to find happiness? Sometimes in life, the person who will matter most is the one who's an exception to the rule.KurzbeschreibungAN AWARD WINNING STORY--Winner, 2014 Debut Author Award, Golden Crown Literary Society!Finalist, Contemporary Lesbian Romance, 2014 Rainbow Book Awards!What will keep you safeand sanewhen you find yourself in a new and unfamiliar place convinced you'll never find anyone like you?
