Von Alan Dean Foster : The Time of the Transference (Spellsinger) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Time of the Transference (Spellsinger):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Das Verlangen nach der OriginalfassungVon Ein KundeDer letzte Teil des ("ursprnglichen") Bannsnger-Zyklus' vermag mich genau so zu bezaubern wie jeder einzelne Teil vorher auch, selbst nach mehrmaligem Durchlesen. Und obwohl ich die deutschen bersetzungen allesamt als sehr gelungen betrachte, so glaube ich doch, die englische Originalfassung

kann diesen Zauber noch intensivieren. Keine Fantasy Geschichte konnte mich je wieder so in ihren Bann ziehen wie die des Bannsngers...

KurzbeschreibungThere's no place like home... It was a pretty good life for a spellsinger from L.A. He'd battled demons, fought deadly Plated Folk, even met a socialist dragon and survived. Now Jon-Tom was quite happy to settle into domestic bliss with the fiery Talea, study magic, and practice spellsinging on his duar. But the magic instrument is broken when Jon-Tom protects the wizard Clothahump from thieves and he must set out across the Glittergeist Sea to find the one person who can fix it. With the irrepressible Mudge the Otter as a travelling companion, only the unexpected can happen. But cannibal muskrats, ogres, and a fierce pirate king parrot must seem ordinary indeed when Jon-Tom finds a way back to Earth - and he must choose which world is home.KurzbeschreibungThere's no place like home... It was a pretty good life for a spellsinger from L.A. He'd battled demons, fought deadly Plated Folk, even met a socialist dragon and survived. Now Jon-Tom was quite happy to settle into domestic bliss with the fiery Talea, study magic, and practice spellsinging on his duar. But the magic instrument is broken when Jon-Tom protects the wizard Clothahump from thieves and he must set out across the Glittergeist Sea to find the one person who can fix it. With the irrepressible Mudge the Otter as a travelling companion, only the unexpected can happen.
