KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Leichte SommerlektreVon Andr AschwandenHannigan schreibt spannend, dennoch kein Page-Turner, sondern eher eine locker-flockige Sommerlektre. Die Geschichten sind herzerwrmend, wenn auch ordentlich trivial.Die offensichtliche Wohlfhlatmosphre wirkt ab und an etwas gar bemht - aber so sind die Hannigan-Romane und das ist fr diesse Art

Lektre auch i. O.!

KurzbeschreibungPerfect for fans of Maeve Binchy, a lovely, warm, Irish family saga of three generations of women coming together one magical summer in the small seaside town of Caracove Bay. A little magic is about to come to sleepy Caracove Bay...Lexie and her husband Sam have spent years lovingly restoring No. 3 Cashel Square to its former glory. So imagine Lexie's delight when a stranger knocks on the door, asking to see the house she was born in over sixty years ago.Kathleen is visiting from America, longing to see her childhood home... and longing for distraction from the grief of losing her husband.And as Lexie and Sam battle over whether or not to have a baby and Kathleen struggles with her loss, the two women realise their unexpected friendship will touch them in ways neither could have imagined.In Caracove, there's more than a pot of gold at the end of the rainbow.PressestimmenA glorious read ...
