Von Katharine Kerr : The Spirit Stone (Dragon Mage) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spirit Stone (Dragon Mage):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Auch Nummer 13 kann berzeugenVon CustomerDie Geschehnisse in Deverry spitzen sich immer weiter zu ...Die Autorin

versteht es, den Leser an ihre Geschichte zu fesseln. Von den Charakteren kann man nicht genug bekommen und man will unbedingt wissen, wie es weiter geht.Allerdings ist auch dieser Teil nur zu empfehlen, wenn man die 12 vorherigen Bnde auch gelesen hat. Dieser durchaus sehr komplexe Fantasyzyklus ist durch dieses eine Buch nicht zu erfassen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannung nimmt abVon Andreas ten PasIch habe mit der Deverry Serie angefangen, als etwa 5 oder 6 Bcher auf deutsch erschienen waren. Die ersten 5 Bcher sind so spannend, dass ich sie direkt hintereinander verschlungen habe. Hier schafft es die Autorin noch, Ereignisse aus der Vergangenheit auf eine interessante Weise mit den Charakteren in der Gegenwart zu verbinden. Im 6. Buch hatte ich schon das Gefhl, dass hier eine nicht von Anfang an geplante Fortsetzung zustande kommt, aber dennoch konnten mich die Ereignisse wieder einigermaen fesseln, bis zu dem Band (11?), in dem die Belagerung durch den Feind aus dem Westen stattfindet (will hier nicht zu viel verraten).Die Bcher nach dem 11. Buch konnten mich nicht mehr langweilen. Der Handlung fehlen die Charaktere aus den frhen Bnden und der Krieg mit dem Feind im Westen wirkt wie eine schlechte Idee, um weiter mit einer auserzhlten Geschichte Geld zu machen.1 von 1 Kunden fanden die folgende Rezension hilfreich. Katherine KerrVon Elke GarstkaDas Buch Spirit Stone ist immer noch gut zu lesen, obwohl es jetzt schon das 13. Buch in Reihe ist. Wer die komplette Reihe kennt, wird so wie ich auf die nchsten Bnde warten.

KurzbeschreibungBook thirteen of the celebrated Deverry series, an epic fantasy rooted in Celtic mythology that intricately interweaves human and elven history over several hundred years.A dagger laid against our throat.So Prince Dar of the Westlands calls Zakh Gral, a new fortress built by the Horsekin, the ancient enemies of his people. To help him destroy this threat, the elven prince has called upon his allies: the dwarven folk of the northern mountains and the human men of Deverry to the east. Their leaders know that if the Westlands fall to the Horsekin, their own throats will feel that dagger next. Joining them are two powerful dragons, who have their own bitter reasons to hate the Horsekin.But the fanatical Horsekin believe that they have the most powerful ally of all: a new goddess. Alshandra's priestesses have announced that she has given the Horsekin the lands belonging to the prince and that his people must be utterly destroyed.Rooted in Celtic mythology and intricately interweaving human and elven history over several hundred years, Katharine Kerrs dazzling saga tells of ancient enmities and undying friendships experienced through many lives. Epic fantasy on a truly grand scale.Pressestimmen"Kerr's Deverry novels are my favorite of the post-Tolkien modern fantasy novels. The landscape is utterly real, and the story is gritty, emotional, complex, an doriginal in execution and setting. This is one tale that truly needs to be told in multiple volumes." Kaite Elliott"One of the best sword-and-sorcery novels I have read in some time." Andre Norton"No one does real, live, gritty Celtic fantasy better than Katherine Kerr." Judith Tarr"Much as I dislike comparing anything to The Lord of the Rings, I have to admit that on this occassion, it's justified." Interzone"There is a solid depth to Deverry and its inhabitants that make it seem very real. [Kerr's] also a master at creating tension, then balancing it with aquiet or humorous moment." Starlog"Kerry fluently and gracefully limns her Celtic-based medieval world, depicting attractive and colorful men, women, and elves." Publishers Weekly"An epic high fantasy plot that is absolutely spellbinding." Midwest Book
