book two! Look forward to reading it!

Kurzbeschreibung ONLY THE GODS CAN SAVE THE ROMANS NOW AD 9, Germania. East of the river Rhine, tribes hostile to Rome prepare a deadly ambush. Their leader is the charismatic chieftain and trusted ally of Rome, Arminius, whose dream is to drive out the brutal invaders of his land. Pitted against him are veteran centurion Lucius Tullus and the Roman provincial governor, Varus. Together with three local legions, they leave their summer camp to begin the march back to the Roman forts on the Rhine. They have no idea that in the forests and bog of the Teutoburg, mud, slaughter and bloody death await. This is historical fiction at its best! Sunday Express 'Held me spellbound to its spectacular bloody end' Manda Scott 'Gripping, brutal, brilliant' Giles Kristian Pressestimmen "Who is the rising star of historical fiction? I say Ben Kane" (Wilbur Smith) "Gritty, passionate and violent ... a thrilling page-turner." (Steven Pressfield) "You feel the ground tremble beneath the phalanxes, hear the battle cries of the legions, smell the carnage of war." (Giles Christian) "A compulsive, relentless story, vividly recounted in muscular prose" (Daily Telegraph) "Highly recommended" (Daily Mail) "Masterly storytelling" (Antonia Senior The Times) Werbetext From the rising star of historical fiction (Wilbur Smith), the first in a new gripping three-part series, based on real historical events. Three Roman legions massacred. Three Imperial Eagles lost. Three men vie for revenge.
