Von Elle Casey, Peter Cawdron, Nina Croft, E.E. Giorgi, Autumn Kalquist, Theresa Kay, Therin Knite, Meilin Miranda, Samuel Peralta, Susan Kaye Quinn, Chris Reher, Vincent Trigili, Endi Webb, Nicolas Wilson : The Telepath Chronicles (The Future Chronicles) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Telepath Chronicles (The Future Chronicles) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gute Sammlung von KurzgeschichtenVon TraumrealistinDiese Sammlung ist rundherum gelungen: gute Qualitt und interessant zu lesen.Ich werde mir definitv einige der Authoren nher anschauen.

KurzbeschreibungTelepathy. Just a far-fetched bit of science fiction hocus pocus. But is it? With todays giant leaps forward in technology and biotechnology, with people constantly surrounded by sophisticated yet invisible communication networks, and with a rapidly increasing understanding of the brains inner workings . . . is it so hard to imagine that we might be able to develop direct mind-to-mind communication?Or might it not be the case that evolution alone, in the right circumstancesif not on this planet, then on otherscould give rise to creatures with telepathic abilities?This collection of fourteen stories explores the ramifications of a future where telepathy is real. From that first glorious moment of discovery, to the subsequent jealousies and class divisions, to the dangers of weaponization and the blessings of medical miracles, The Telepath Chronicles promises to take you inside the creative minds of some of todays top science fiction authors.KurzbeschreibungTelepathy.
