I loved it!!! It was very touching and I cried on those "goodbye's scenes" the characters are all so real and I felt that I was part of it too. It was a beautiful ending for Abigail, I loved that woman so much courage and life in her. The reunion of two brothers, Wolf

Blood and Jeremy touches my soul. I felt victory for Zeke and Georganne when they discovered the gold pot. Hawk made use of his knowledge and fought it out in the legal way was very satisfying to me. I love the ending saga of "Savage Destiny." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tear Jerker!!!!!! Von Ein Kunde This was another of those tear jerkers I have ever read. It really made me cry when Lone Eagle (Zeke) died in this book. I even felt the pain that Abbey felt and cried with her especially when she went to where he was buried. I could hardly stand it with the tears I couldn't see the page. It's another book I won't soon forget. But it also gave Abbey strength to carry on with her family. 0 von 0 Kunden fanden die folgende Rezension hilfreich. if i could give the seven books 10 stars i would, Von Ein Kunde this was the best set of books i have ever read. when abby lost zeke in death i could almost feel her pain, after i read all seven books i felt like i had known them personally and i hated to see their story end

Kurzbeschreibung Eagle's Song is the final book in the Savage Destiny series, taking readers into the lives of Zeke and Abbie's children and grandchildren. This very moving story depicts the emotional end of an era for a once wild and free People, America's Native Americans, and the sometimes traumatic changes in the American West as civilization moves in to tame a lawless land. With this progress and the discovery of gold, the Monroe descendants find amazing success and happiness. But through it all Abigail Monroe lives with precious memories and a deep faith that carry her into old age and eventually back into the arms of her beloved Zeke as they walk into the past and leave the future to their grandchildren and great grandchildren. Their love will live on forever in the hearts of the family members ... and in the hearts of all those who read this series. **PRAISE:** Power, passion, tragedy, and triumph are Rosanne Bittner's hallmarks. Again and again, she brings readers to tears. ~Romantic Times **Extraordinary** Bittner's characters spring to life. ~Publishers Weekly **ABOUT THE AUTHOR:** Named one of the Pioneer Authors of Romance by Romantic Times, Rosanne Bittner is the author of sixty historical romance novels, most set in the American West of the 1800s. Her next novel, *Desperate Hearts*, will be published by Sourcebooks in September 2014. **Kurzbeschreibung** Eagle's Song is the final book in the Savage Destiny series, taking readers into the lives of Zeke and Abbie's children and grandchildren. These books were the first books I wrote (except for #7 published more recently). They are dear to my heart, and the characters will be with me forever. All six books were reprinted in 1996 and are available - complain to Zebra sales dept. if you can't find them. Beginning with #1, **SWEET PRAIRIE PASSION**, you will follow Zeke and Abigail Monroe through approx. 40 years of their lives, as well as following the history of Colorado and the Cheyenne. By book #7 Abigail is a grandmother, and I tell the love stories of two of her grandsons. This last book brings the family all back together for a family reunion, and the ending will never be forgotten by anyone who reads it. Get out the tissues, readers! If you love to feel close to the characters, think of them as family; if you love American history, stories about Native Americans, family sagas; if you love to laugh, and to cry from reading a book - you will love my Savage Destiny series. Many have asked me to keep going and write more stories about the grandchildren, but I think I am through. I feel fulfilled in telling these stories and will leave the future of the Monroes up to the readers' imaginations! Thanks for your support!
