KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unerwartete LiebeVon mockingbirdLarry will seine Sklavin Bella heiraten. Als Zweitsklavin hat er auch Rose, die BDSM-Ausrstung herstellt, die man via Internet bedienen kann. Diesbezglich haben sie auch Kontakt mit dem

Investor Felix Culpa. Letzterer will Larry etwas heimzahlen und deswegen Bella und Rose kidnappen. Dabei verlieben sich Rose und Felix ineinander.An und fr sich eine gute Geschichte. Allerdings ist die Handlung so vorhersehbar und die Dialoge so trivial, dass schon recht bald Langeweile auftaucht. Fr Leser mit ruhigem Temperament vielleicht eher empfehlenswert.
