Von John Steinbeck : East of Eden (Penguin Modern Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised East of Eden (Penguin Modern Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice BookVon Lianal got it cheaper than in Libraries. I loved the book and also the quality was brilliant. Thanks a lot.10 von 12 Kunden fanden die folgende Rezension hilfreich. A classicVon Michael BrownIt is not often for someone to come across great reads that actually changes the person's life. Reading Dostoyevsky's "The Idiot" and John

Steinbeck's "East of Eden" had a profound influence on me. There was so much to learn from those stories since they were so complete in treating humanity. In fact, these are deep, insightful and inspirational books that one can not easily throw aside after one has finished. These major classics are books to ponder about, books for us to think and reflect over and over. If you haven't read this great piece of American literature, then I suggest that you do so. I also recommend: Anna Karenina and Disciples of Fortune-these are two other classic works. 8 von 9 Kunden fanden die folgende Rezension hilfreich. A wonderful book, a page-turner Von Ingrid L. This book is a wonderful read. When I started reading it, I continued until 3.30 in the morning. The new books often come with endless praise on the cover. "East of Eden" doesn't - it's a classic, and I've vowed to read more classics. I loved the movie, the book is even better - much better.

Kurzbeschreibung Set in the rich farmland of the Salinas Valley, California, this powerful, often brutal novel, follows the intertwined destinies of two families - the Trasks and the Hamiltons - whose generations hopelessly re-enact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. Here Steinbeck created some of his most memorable characters and explored his most enduring themes: the mystery of identity; the inexplicability of love, and the murderous consequences of love's absence. Contains an introduction by David Wyatt, as well as suggestions for further reading of acclaimed criticisms and references. Pressestimmen "A novel planned on the grandest possible scale... One of those occasions when a writer has aimed high and then summoned every ounce of energy, talent, seriousness, and passion of which he was capable... It is an entirely interesting and impressive book." The New York Herald Tribune "A fantasia and myth... a strange and original work of art." The New York Times Book "A moving, crying pageant with wilderness strengths." Carl Sandburg "When the book club ended a year ago, I said I would bring it back when I found the book that was moving and this is a great one. I read it for myself for the first time and then I had some friends read it. And we think it might be the best novel we've ever read!" Oprah Winfrey Pressestimmen "The book that brought the book club back!" Oprah Winfrey "A novel planned on the grandest possible scale... One of those occasions when a writer has aimed high and then summoned every ounce of energy, talent, seriousness, and passion of which he was capable... It is an entirely interesting and impressive book." The New York Herald Tribune "A fantasia and myth... a strange and original work of art."
