Fabulus!!!!!!!!!!!!!!Von Ein KundeThis book is absolutely the best book I have ever read. I've read it about 5 times(both books)and I just love it. It's catching, you can't tear yourself from it until you're finished. You feel like your right there, living their lives and I cry everytime I read the sad parts. I recommend this book to everyone, read it, you won't be the

I was so drawn in right from the beginning and stayed that way through the entire book. The characters were well developed and believable. I have read three of Bickmore's other books and loved all of them as well, but this one is my favorite.0 von 0 Kunden fanden die folgende Rezension hilfreich.
