Von Bobby Adair : Ebola K: A Terrorism Thriller: book 1 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ebola K: A Terrorism Thriller: book 1 (English Edition):

KurzbeschreibungEbola, Terrorism, and HopeIn 1989 the Ebola virus mutated to into an airborne strain that infected

humans for the first time on American soil in Reston, Virginia. Through belated containment efforts and luck, nobody died. Now, in the remote East African village of Kapchorwa, the Ebola virus has mutated into another airborne strain without losing any of its deadly potency. In this thriller, terrorists stumble across this new, fully lethal strain and while the world fearfully watches the growing epidemic in West Africa as Sierra Leone goes into country-wide lockdown, only a few Americans are aware of Ebola K and the danger it poses to be the deadliest pandemic in the history of mankind. Can they do anything to protect themselves from this killer disease? Can they stop the terrorists?
