Awesome Von Harimau Kinda feeling guilty getting the PDF for free. Was an Awesome read. Would love to read more

of Nika's creations.

Kurzbeschreibung Here and there, a song is played... Within it, you can hear the echo of old souls. From the whimsical to the troubling, Nika Harper's debut collection of short stories imagines a world where death may not be the end. A family's legacy can live on, an artist can continue painting his perfection, and local ghost stories may be more than tall tales. Harper weaves stories of love and loss, hopes and horrors, that question the true meaning of forever.
