**Von Jayne Ann Krentz : Eclipse Bay** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Eclipse Bay:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eclipse Bay is great Von S Roberts This book is the first in a trilogy set in Eclipse Bay, Oregon. It is about family relations in

two feuding families--the logical Hartes and the passionate Madisons--with romance and suspense thrown in. I loved the characters of Hannah and her requirements for Mr. Right and Rafe and his youthful goal of staying out of jail. In some ways, I was reminded of Krentz' previous book 'Hidden Talents' (also wonderful and I highly recommend it), especially Blade in Talents and Arizona Snow in Eclipse Bay, plus Rafe's relationship with his grandfather. Eclipse Bay is great all on its own, however, and I can't wait for the next book in the trilogy. I read this book practically in one sitting (on a plane) and I could not put it down. If you haven't read anything else by Krentz yet, get this book and take the plunge. I've also enjoyed all her other books, as well as those she writes under the Jayne Castle and Amanda Quick pseudonyms.2 von 2 Kunden fanden die folgende Rezension hilfreich. A refreshingly different novel Von C. M. Chen Hannah Harte returns to Eclipse Bay eight years after saving Rafe Madison from impending imprisonment. She comes back to the small community when Rafe refuses to discuss selling his half of Dreamscape, Isabel Harte's legacy to them both. While they attempt to agree on a business partnership as well as a co-existing personal relationship, they must find out what went on that night eight years ago before the truth threatens to destroy them. In expressing my opinion of this book to a friend, I couldn't really put my finger on what made this particular Krentz title so great whereas her others have simply been good. It came to my mind however as I recommended it to her. Eclipse Bay is set away from the city and requires, due to a somewhat small community, a different tone, if not style. I enjoyed the atmosphere of Eclipse Bay in terms of location as well. It seemed so refreshing compared to Krentz's Seattle setting. While I enjoy the city, there is something very personal about Eclipse Bay and Krentz illustrates this by taking us through it narratively and describing the origin of certain landmarks. These personal touches brought the place to life for me in a way the impersonal Seattle settings didn't. In addition to that, there is a scene in the novel which involves practically the entire town and comically illustrates the negative side to small town existence. Then there is Winston, Hannah's loyal and protective dog who adds another dimension of humor to the novel. Krentz has written a story that is fresh in tone though her characters remain true to what her readers have come to associate with her writing. Rafe and Hannah are strongly drawn characters despite the characteristics Krentz uses to associate them with their respective families. And Krentz does a magnificent job of creating a story about Rafe and Hannah instead of falling back, or focusing, on the feud between the Hartes and the Madisons. Eclipse Bay is a terrific start to what I hope will be a great trilogy.1 von 1 Kunden fanden die folgende Rezension hilfreich. Eclipse Bay Von Kindle Customer I have been reading JAK since the beginning. I have read all her books under every name she uses. I was disappointed in Eclipse Bay. Her characters usually jump off the page and draw you into their lives. These two were a little flat and seemed to be mostly set up for the books to follow. I will continue to buy all books with written by Krentz (and even some just endorsed by her) but I hope the next one is better.

Kurzbeschreibung First time in print... "It's no wonder that AKrentz's novels consistently hit bestseller lists." -- Publishers Weekly Eclipse Bay has grown and flourished on the rugged Oregon coast, where the shore can be rocky and forbidding, full of sharp cliffs and hidden coves. Eclipse Bay by Jayne Ann Krentz, this small town is also filled with secrets as treacherous as the landscape and rivalries as fierce as an ocean storm. Their grandfathers hated each other. Their fathers hated each other. And as the next generation of the Hartes and Madisons, Hannah and Rafe are expected to hate each other too. But Hannah Harte, a successful wedding consultant with a skeptical view of marriage, remembers the long-ago night on the beach that revealed Rafe as much more than just "that disreputable Madison boy." And Rafe remembers the heroic gesture that proved Hannah's fierce spirit was stronger than any feud and saved him from near-certain imprisonment. Now reunited by a surprising inheritance after years of living their separate lives Rafe and Hannah return to Eclipse Bay, and the hostilities that still divide, and bind, their families. And they are discovering something that is at once delightful and deeply disturbing? They don't hate each other. Not at all.. deSetting: Eclipse Bay, Oregon, present day Sensuality Rating: 6 Multimillion-selling author Jayne Ann Krentz weaves a classic tale of a rich girl and the town's bad boy who grows up to be very, very good. Eight years have passed since Hannah Harte laid eyes on Rafe Madison--eight years since Hannah risked her reputation by providing Rafe's alibi for a murder he did not commit. Drawn back together by a strange bequest, Hannah and Rafe must first try to figure out how to share their dreams for the old seaside manor they've inherited and then determine who's willing to try anything, even murder, to stop them. Hannah is astonished to find that the rebellious Rafe, who once loved living up to his family's unsavory reputation, has shed his bad boy ways and become quite a success. And Rafe is equally disturbed to realize that the naive girl he met on a beach one night long ago is all grown up--and how! The first in a new trilogy from perennial favorite Krentz is a tantalizing reminder of the attraction of opposites. Readers will be waiting with bated breath for the sequels. --Alison Trinkle.com Setting: Eclipse Bay, Oregon, present day Sensuality Rating: 6 Multimillion-selling author Jayne Ann Krentz weaves a classic tale of a rich girl and the town's bad boy who grows up to be very, very good.
