Von Gena Showalter : Ecstasy in Darkness (Alien Huntress) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ecstasy in Darkness (Alien Huntress):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Lots of funVon S. FischerAva and Noelle are agents in training for AIR, a team that protects humans from those aliens living

on earth that are a threat. The biggest threat lately have been aliens, the Schn, that are spreading a deadly disease - and their queen is on her way to earth to make it her new home and herself its new ruler. Someone who might be able to help is McKell, a vampire who has been banished from the vampires' underground realm. He is brutal and ruthless - traits that Ava can appreciate since she is tough and brutal herself. When she and Noelle are told to bring the vampire to AIR, sparks fly - and Ava and McKell soon give in to their mutual attraction. But there's still the Schn-queen, who has started targetting AIR-agents...This novel was very entertaining, with a biting sense of humour that reminded me of Shelly Laurenston. I enjoyed it a lot. It is part of the Alien Huntress-series and makes more sense if you've read the other parts first. They are (so far):1. Awaken Me Darkly (2005)2. Enslave Me Sweetly (2006)3. Savor Me Slowly (2007)4. Tempt Me Eternally (2009) (in Deep Kiss of Winter, anthology)5. Seduce the Darkness (2009)6. Ecstasy in Darkness (2010)7. Dark Taste of Rapture (2011)

KurzbeschreibungNew York Times bestselling sensation Gena Showalter enthralls with a dark, tantalizing world of humans, otherworlders, powers beyond imagining, and a seductive vampire undone by his insatiable hunger for one woman. . . .Growing up poor on New Chicagos meanest streets, Ava Sans had two options: be the predator or be the prey. No contest. Now, working for Alien Investigation and Removal, shes been ordered to capture the biggest, baddest warrior of alla vampire too beautiful to be real, with the abilityto manipulate time. Once the leader of the entire vampire army, McKell has been deemed savage and unstable, spurned even by his own kind.To McKell, humans should be nothing more than sustenance. Yet the petite, golden-skinned Ava is a fascinating contradictionvicious yet witty, strong yet vulnerable, lethal but fiercely loyal. Against his better judgment, McKell craves that loyalty, and much more. When the chase leads to seduction, McKell and Ava will race to discover the truth about his past. But the answers will come at a price, even for a woman who thought she had nothing left to lose. . . .
