KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. IrreführungVon binchenEs handelt sich \*nicht\* um eine Komplettausgabe; schon die erste Suche nach meinem Favoriten "Ligeia" (nicht das Gedicht, sondern die Geschichte) war erfolglos. Außerdem wurde man zuerst auf eine Seite des Buches geleitet, die den Medienpartner Buckbooks bewarb mit dem Angebot 5 freier Ebooks. Der Link führt zur Registrierungsseite von buckbooks.net. Also habe ich mich registriert, weil ich dachte, dass die Komplettausgabe vielleicht aus 6 Teilen besteht, was sich als Irrtum herausstellte.1 von 1 Kunden fanden die folgende Rezension hilfreich. The Most Complete Edition of the Works of Edgar Allan Poe, ... Von Miki101.Micha \*\*\*Review for Kindle eBook bought and verified on .it\*\*\*... masterfully enriched by the editor Magnolia Books. There are so many new facts I learned about this author - it is simply amazing! Since my early years I simply started to adore the poems and tales written by Edgar Allan Poe, like I loved to read H.P. Lovecraft, too. The horror, often so subtle in some stories Poe wrote, in others plain in sight - it gives me the goosebumps still now, as an adult.To buy a complete collection was one of the first things I had to do for my Kindle, it was this one: The Complete Tales and Poems of Edgar Allan Poe (Xist Classics) - as I bought the Complete Lovecraft and the Complete Sherlock Holmes by the same editor.But this newer edition has bonuses I simply could not let slip!The content of the complete e-book is listed above, too. Poems (Alone, The Raven, etc.). - Tales (The Fall of The House of Usher, etc.), but the wonderful illustrated "Raven" alone was worth the little money of only Euro 1,05. But here we have:- The complete original text of over 150 works by Edgar Allan Poe, including short stories and poems;- A Free audio book access to full-length recordings of Edgar Allan Poe's works;- A beautifully illustrated version of Poe's most famous work - "The Raven";- A clean formatting designed to fit any screen size;-- And then the Bonuses:- Poe's Influence - Film and Television Adaptations, Poe in Music, Literature and Comics- And... the Most Famous Quotes from Edgar Allan Poe, too.You can move quickly back and forth among Poems and Tales by simply clicking a link in the Table of Contents.An unbeatable collection for an unbeatable price. Everything a real fan needs!2 von 2 Kunden fanden die folgende Rezension hilfreich. Ein KlassikerVon Annika M.Dieses Buch bietet eine Menge Lesestoff und zu diesem Preis wirklich unschlagbar. Meiner Meinung nach kommt das Geschriebene von Edgar Allan Poe auch nur im Englischen richtig rber, daher kann ich den Kauf nur empfehlen. Das Buch an sich ist dazu auch ein Hingucker!

Kurzbeschreibung Edgar Allan PoeCan you think of a name more synonymous with spine-tingling literature? Poe inventor of the detective story, master of the short story, especially the macabre, writer, editor , critic, essayist, gambler, beggar, drunk, drug user, widower, and manic depressive. Even more than a century on, Poe dwells in the dark corner of our literary consciousness.
