This is certainly one of her bests. Edge is a cool hero and for once he is really bad, not some pseudo bad who turns tail at the first occasion to

behave like a bad guy. No, he uses the golden child, betraying her whereabouts to lure his enemy out of hiding. As it is a romance like I love them, he of course protects her too with his life. Not that his Alby really needs his protection. She is quite tough and intelligent on her own and she certainly leads him a merry chase. I especially liked the scenes where Edge had to work with her protective family, who wanted so much to kill him for seducing their innocent child! If you want to start with one of the author's books take this one, you won't regret it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice, average fantasy romance Von Greystar Edge is a Vampire with a mission. He is hunting Stiles who killed all his friend some eternity ago. So he goes after Amber, she is half human and half vampire and the only person that can lure Stiles out of hiding. But while Amber wants Stiles alive as he might be the only way to save a friend of her, Edge wants him only dead. Still, those two are drawn to each other and when they share a passionate moment, something unbelievable and unexpected happens, leaving the two of them struggling to find a way that both of them can reach their goals - without hurting the other more than they already did and without getting anyone killed.*** This story is in the middle of a series (Twilight) and its a bit difficult to follow when you have not read the others. But it is absolutely possible, the basic facts are explained and the story is neither complicated nor open ended. It might help to read the other books but it's not necessary. There is a love story, revenge, family and all necessary parts for a got fantasy romance. It's nothing absolutely new in the book but it's easy to read and follow, some small twists and likeable characters. A good average story.

Kurzbeschreibung Book 7 in Maggie Shayne's Bestselling Wings in the Night Series In Pursuit of a Legend They call him Edge, and he's determined to kill vampire hunter Frank Stiles, the obsessed vampire-hunter who murdered Edge's immortal companions, leaving him alone and possessed by his need for vengeance. But it's a vengeance he can carry out only with the help of the one they call the Golden Child. Amber Lily is alone among the undead. Known as the Golden Child, she's half human and half vampire, the only one of her kind and immensely valuable to her vampire kin but none more so than Edge. The moment they meet she finds him exciting, irresistible, and despite herself she's drawn into his hunt. But Amber Lily has a secret. Though she, too, has vowed to track down Stiles and confront him, she needs him alive, a desire Edge will see only as a betrayal. Will he be able to forgive her, or will their growing love be doomed for the long eternity of their lives?
