Von Edith Wharton : Edith Wharton Novels: The House of Mirth, The Reef, The Custom of the Country, The Age of Innocence (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Edith Wharton Novels: The House of Mirth, The Reef, The Custom of the Country, The Age of Innocence (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. An essential collection for any libraryVon Ein KundeAlong with her good friend Henry James, Edith Wharton was an expert at studying the stiff social fabric of New York in the 1800's. In this collection of some of her best work, the reader is invited into the lives of characters who struggle against the confines of society, for love and/or their own sanity. The House of Mirth is one of the best novels I've ever read, with the thoroughly captivating character of Lily Bart taking center stage. Wharton proved that she could see love and all of its tribulations through the eyes of a man when she wrote The Age of Innocence. No matter what she wrote, she did so with unerring detail and an almost uncanny knack for "the right phrase" for every situation. This collection is an interesting study not only of "old New York" but of characters who stay with you long after the last sentence is savored.

Kurzbeschreibung* A fantastic collection of Edith Wharton's best-known novels in one superb digital edition.* Contents:- The House of Mirth- The Reef- The Custom of the Country- The Age of Innocence* Just as accessible and enjoyable for today's readers as they would have been when first published, the novels are some of the great works of American literature and continue to be widely read throughout the world.* This meticulous digital edition from Heritage Publishing is a faithful reproduction of the original text.Kurzbeschreibung* A fantastic collection of Edith Wharton's best-known novels in one superb digital edition.* Contents:- The House of Mirth- The Reef- The Custom of the Country- The Age of Innocence* Just as accessible and enjoyable for today's readers as they would have been when first published, the novels are some of the great works of American literature and continue to be widely read throughout the world.* This meticulous digital edition from Heritage Publishing is a faithful reproduction of the original text.
