I was surprisedVon PhilippI thought this was the usual "Comedian writes a book and tries to be philosophical" thingBut its a Poetry Book. And an Interesting one at that. Im not usually into poetry but this guy writes some funny stuff. Many of

them were already featured in his shows. Its a good book to keep next to your toilet and have a laugh while doing your business. Or Just have a laugh in general. Beware though if you don't know Bo Burnham. His humor can be very vulgar at times and very crass. 0 von 0 Kunden fanden die folgende Rezension hilfreich. love bo! Von Kunde I simply love Bo Burnham and in this book - as expected - are a lot of very funny, kind of immature-humorous poems etc with some deep word-plays every now and then! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not your usual content Von Customer The book goes from deep and lovely to quirky and profane, and I enjoyed every facet of it. An easy read with plenty of subtext, entertaining all the way.

Kurzbeschreibung A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians... **EGGHEAD: Or, You Can't Survive on Ideas Alone** Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIING! In EGGHEAD, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, "why did I just laugh?" **Pressestimmen** "You have to be brave to be this hilarious, and this sweetly romantic. And of course, a lot of talent helps. Egghead is a remarkable piece of writing!" --Jack Handey, author of *The Stench of Honolulu* and the *Deep Thoughts* series "Like Walt Whitman, Bo Burnham has made the transition from an internet comedy sensation to a soulful poet. No, not that Walt Whitman. A different guy." --Conan O'Brien "I would love Bo Burnham's hilarious book even if he weren't my son." --Judd Apatow **Werbetext** Sometimes funny, sometimes serious, mostly absurd collection of poetry and essays from rising comedy star Bo Burnham.
