**Von Anna Quintera : Elementori: Fire (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elementori: Fire (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice but BrokenVon Julia StrasserThe Story is realy good. It was a nice love Story. The only thing I didn't like was that the

written english is so broken and some words used don't fit what the author wants to say in these Situation.

Kurzbeschreibung Abigail is an elementori. Fire elementori to be correct. She's a student at a school meant only for elementoris, Element AC High School. She doesn't follow the rules as well as she should, she practices with fire without her mentor knowledge. It isn't that bad, she's used with that kind of trouble. Her life changes when dragons arrive to AC. There must be a reason why dragons came. Abigail don't know it, yet. There's one more thing, dragons are potetional mates to fire elementoris. She's not ready to find her mate, her Mr. Right, but when she does and he doesn't do what he's supposed to do, Abigail feels rejected. Will meeting dragons change her life or will it stay the same?
