HISTORICAL FICTION AT IT'S BESTVon K. BishopThis is the 2nd historical novel Margaret Irwin wrote about Elizabeth I. The 1st, Young Bess, was about her childhood. This novel, covers the period of her sister Mary's reign. You don't need to read the 1st to enjoy the 2nd, although I HIGHLY recommend both. A historical novel should not only entertain but give the reader some feeling for what it was like to live in a particular time place. This Margaret

Irwin does splendidly. She portrays a young woman who had to watch every word gesture to merely survive. Elizabeth, in my opinion, was one of the greatest rulers England ever had. Irwin's attention to detail help you understand what she had to endure to reach her throne what made her the brilliant, courageous soul she was.

KurzbeschreibungJuly, 1553. Sibling rivalry has never been more turbulent and perilous than between the daughters of King Henry VIII. Queen Mary Tudor has just won possession of the throne, but her younger half-sister - the beautiful and vivacious Princess Elizabeth - holds the hearts of the people. Knowing this, Mary banishes her sibling to a country retreat, determined to keep her as far away from court life as possible. But Mary's health is fading fast and her power beginning to crumble. The people of England are crying out for a new monarch and it seems, at last, they may have their wish and crown their beloved Bess as Queen. In these treacherous times, when all about her lies secrecy and deception, Elizabeth must rely on her faith and courage if she is to rise to fulfil her destiny.Pressestimmen"Vivid and psychologically brilliant." ---Times Literary SupplementKurzbeschreibungJuly, 1553. Sibling rivalry has never been more turbulent and perilous than between the daughters of King Henry VIII. Queen Mary Tudor has just won possession of the throne, but her younger half-sister - the beautiful and vivacious Princess Elizabeth - holds the hearts of the people. Knowing this, Mary banishes her sibling to a country retreat, determined to keep her as far away from court life as possible. But Mary's health is fading fast and her power beginning to crumble. The people of England are crying out for a new monarch and it seems, at last, they may have their wish and crown their beloved Bess as Queen.
