Von JL Bryan : Ellie Jordan, Ghost Trapper (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ellie Jordan, Ghost Trapper (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Lara Croft meets Ghostbusters - brilliant Von Hoener, Birgit Your house is haunted? Ring the agency and get Ellie Jordan, Ghost Trapper - she will make sure the ghost vanishes, either voluntarily or she forces them out. It is Ellie's job, together with her assistant(s), to get rid of ghosts in haunted houses, no matter how; you may have to renovate and get new furniture later, but the ghosts will be gone.. This is the first book in a series, and I really enjoyed reading it. Good

plot, humorous narration style, well developed characters, and a fast paced story that will you keep glued to the book. I loved the dialogues, Ellie's reluctant acceptance of her assistants, and I absolutely adored the epilogue - talk about Karma! There's nothing that's not to love in this book, and I want the other ones in this series right now! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent! Highly recommended to those who enjoy a good scare. Von Chris Of course there are the usual "stereotypical" moments associated with every book or movie involving ghosts, but the novel takes strange turns which are completely unexpected. I do not want to elaborate on the storyline here as it might spoil it for others but a must read if you enjoy something on the darker side. You will be absolutely hooked! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend, aber ausbaufähig Von arrowboy Die Charaktere sind interessant, die Geschichte spannend (wenn auch nicht beringelt neu oder unvorhersehbar) und der Stil OK. Es könnte noch etwas an der Geschichte gefeilt werden, da einige Wendungen zu vorhersehbar waren, aber alles in allem ein prima Serienauftakt. Gerne mehr.

Kurzbeschreibung Ellie Jordans job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, the most haunted city in the United States. When a family contacts her to deal with a disturbing presence in the old mansion they've recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil older and more powerful than she'd ever expected, rooted in the house's long and sordid history of luxury, sin, and murder. The dangerous entity seems particularly interested in her client's ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child. A brilliantly addictive, insomnia-inducing story following Ellie Jordan, a ghost tracker, who works a hazardous job investigating hauntings. Read before bedtime at your own risk! -Alexia Purdy, bestselling author of the Dark Faerie Tale and Reign of Blood series "Ellie Jordan, Ghost Trapper is both really fun and really creepy. It's Ghostbusters meets The Dresden Files." -Daniel Arenson, bestselling author of the Song of Dragons and Moth series Kurzbeschreibung Ellie Jordans job is to catch and remove unwanted ghosts.
