**Von Alice M. Roelke : Ellie's Advice (sweet romance) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ellie's Advice (sweet romance) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein bisschen zu "Sweet"Von CriticalIch gestehe, dass ich dieses Buch nicht zu Ende gelesen habe.Dabei ist der Text gut geschrieben, die Charaktere nett und nachvollziehbar.Was mich gestrt hat war, dass die Motivation der Figuren durch

den Erzähler lang und breit, teilweise sogar doppelt, erzählt wird, anstatt vielleicht die Figuren selbst mehr zu Wort kommen zu lassen. Zeitlich befinden wir uns wohl irgendwo zwischen 50 und 60er Jahren, da es auf jeden Fall nach dem zweiten Weltkrieg angesiedelt ist, aber es noch nicht so viele moderne Geräte wie Mikrowelle oder Computer in der Geschichte gibt. Die Handlung plätschert so vor sich hin, so dass es mich gelangweilt hat und daher habe ich das ganze irgendwann abgebrochen. Nachdem ja alles in der Cloud bleibt, versuche ich es zu einem anderen Zeitpunkt vielleicht noch mal.

Kurzbeschreibung All her life, Ellie's poor health has held her back. But not anymore. She's going for the job she longs to have, as an advice columnist for a local paper. Shel Silverberg is a widower who's promised himself he'll never marry again. His arranged marriage was a kind of torture, and he'll never sign up for another. Then he meets the beautiful and sweet-natured Ellie. As her editor, he has to remain professional but he can't stop thinking about the gorgeous redhead. She can't stop thinking about him, either. When they accidentally meet in the park and end up rescuing some puppies together, their lives will never be the same. A sweet, gentle romance set in the 1950s. Approximately 32,000 words
