Aschenputtel mal andersVon MisatoEin sehr schnes, glaubhaftes und liebenswert erzhltes Buch. Die Story wird von Ember erzählt, die wir alle als Aschenputtel kennen. Jedoch erzählt sie die Geschichte komplett anders und klrt auch mehrfach auf, woher die total verdrehte und unwahre "Kindergeschichte", die uns allen so bekannt ist, kommt. Originell, frech, erwachsen, auch teils erotisch, dunkel, voller menschlicher Abgrnde und Schwchen. Ein Buch, dass nicht mehr sein will, als es ist und daher auch nicht all zu viele Seiten hat und nichts nervig in die Lnge zieht. Es hat

wirklich Spa gemacht dieses Buch zu lesen! Volle Kaufempfehlung!

Kurzbeschreibung Everyone loves Prince Charming. They have to be cursed. Every man must respect him. Every woman must desire him. One look, and all is lost. Ember would rather carve out a piece of her soul than be enslaved by passions not her own. She turns to the dark arts to save her heart and becomes the one woman in the kingdom able to resist the Prince's Charm. Poor girl. If Ember had spent less time studying magic and more time studying human nature, she might have guessed that a man who gets everything and everyone he wants will come to want the one woman he cannot have. Novella / 32,000 words Warning: This story contains sex, violence, and naughty words. It's based on a fairytale, but it isn't for kids.
