Nett geschrieben, gute Liebesgeschichte. Es bleibt spannend bis zum Schluss. Was ich nicht

wusste: Es gibt noch zwei weitere Bücher. Diese sind aber nicht über die Hauptcharaktere dieses Buches, sondern über andere Personen des Clans.

Kurzbeschreibung Praise for *Awaken the Highland Warrior*: "Full of twisty subplots and sexy, romantic fun." Publishers Weekly They were driven apart by a timeless secret... Cody MacBain let the woman of his destiny slip away. A member of an ancient clan of Scottish warriors, he grew up beside Shay Logan as her secret protector, but his heart compelled him to become more. Until Shay's true identity was revealed, and the fated pair's chance was gone... But danger will drive them back into each other's arms... Shay fell for the boy next door, suspecting nothing of the ancient secrets he guarded. After a stinging betrayal, she's determined to banish the memories of her first love forever. But the past can't let go, and the boy she once loved has returned to her a warrior determined to protect her from the unspeakable evil fate has planned... "Hard to resist...Clenney seamlessly weaves together Scottish warriors, demons, vampires, time travel, and two strong main characters...to form an intriguing story."
