Von Amanda Ashley : Embrace the Night before purchasing it in order to gage whether or not it would be worth my time, and all praised Embrace the Night:

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. A vampire romance sadly lacking any real "bite"Von Barks Book NonsenseI think I should start off this review by stating that I've read so many vampire novels and vampire romances that I fear I may be jaded. I used to love anything that had to do with vampires but now it takes a lot of originality (or humor and/or gut-wrenching emotion) to "wow"

me and hold my interest and this book, the first of what I believe is a series, just didn't do it for me. Gabriel is your standard vampire hero. He's gorgeous, sensitive and oh-so-lonely. He's loved and lost in the past and vows to never lose his heart to a mortal again. But all of that changes when he first sees Sara Jayne, an orphaned child who's life he saves. He becomes her self-appointed guardian angel and watches over her as she grows from a sweet child into a beautiful woman. Sara Jayne has emotional problems and one desolate night decides to take her life. This is when Gabriel breaks his pledge and shows himself, thus giving her someone to love and a reason to live. And then the conflicts begin. Gabriel loves Sara but she's mortal and he refuses to subject her to his dreary and cursed existence. Sara loves Gabriel but she's also frightened of him. They pledge their love to each other but things keep happening to force them apart: Gabriel pushes her away because he wants her to experience life (he does this about 3 times), a former lover of Gabriel shows up to make trouble, and eventually Sara gives up hope of ever having a normal life with Gabriel and gets engaged to another man (who could blame her after being rejected so many times?). Inevitably they do find happiness but it's not an easy road to eternal bliss. In all honesty I had a hard time finishing this book because I kept getting the feeling that I had read it all many times before. And during more than one of the separations I had an eerie sense that I had already read the exact same scene some 40 pages earlier. If the characters were more engaging, or the angst-ridden plot lightened with a bit of humor, I may have enjoyed reading this standard vampire scenario again but as it was written I just can't recommend it with any enthusiasm. I never truly cared what happened to either character, I never felt any spark between the pair and I found the repetitive plot slow going.2 von 2 Kunden fanden die folgende Rezension hilfreich. I never wanted it to end.Von (Tiggedy2@aol.com)What woman wouldn't love Gabriel? Just the thought of having someone watch over me the better part of my life, sent chills through me. Good chills. Gabriel watched Sara grown into a beautiful (though sad) young woman. When all hope was gone and she felt as though she couldn't take it anymore, she tried to take her life. Gabriel stops her in the guise of her guardian angel. Sara went from thinking she was worthless, to knowing she was loved. Their story of love continued to grow from that point. Sara is very innocent in the ways of.....well everything. Gabriel is just the man to help her grow and learn. Is it his fault he just happens to be a vampire? This book brings a smile to my face and warm feelings of love to my heart everytime I think of it. A must read!2 von 2 Kunden fanden die folgende Rezension hilfreich. BoringVon Ein KundeThis was my first and probably last vampire romance novel. I ordered it because I'm such a fan of Anne Rice's early vampire novels. I thought combining romance and vampires would make for an interesting read. Was I wrong! I couldn't wait for this book to end. The characters are one-dimensional and the story/plot or lack thereof was dismal and uninspired. To make things even worse, the sex scenes were major dullsville. I guess the author likes to completely leave things to your imagination--which I'm sure is fine for some people. I'll take Jude Deveraux or Catherine Coulter's hot and detailed writing over this anytime!

KurzbeschreibungA creature doomed to wander the earth in eternal darkness, he searches the ages for someone to share the endless night of his existence, for that one woman who will recognize the man within the monster.**Kurzbeschreibung**A creature doomed to wander the earth in eternal darkness, he searches the ages for someone to share the endless night of his existence, for that one woman who will recognize the man within the monster.**Synopsis**Searching for the woman who can recognize the man within the monster, a vampire finds a seeming angel born in purity and sunlight, who dares not believe the dark secrets he tells her while being drawn to his touch.
