werden, dann fing es an zu nerven. Charlie macht dumme Sachen und man denkt "du Depp", Hannah trifft komische Entscheidungen und man denkt "och n". Und das Ende...pff. Ich bin ein großer Fan von HEA. Das haben wir hier nicht wirklich bekommen. Im Großen und Ganzen war mir die Story zu lang. Seltsam sowas zu sagen, normalerweise ist das Gegenteil der Fall. Ich hatte den Eindruck die Autorin wollte immer noch einen draufsetzen und mir wurde das irgendwann zu anstrengend. Das Buch bekommt überall 5 Sterne Rezensionen, also kann es sein, dass es einfach an mir liegt, aber ich empfehle es trotzdem nicht weiter. 0 von 0 Kunden fanden die folgende Rezension hilfreich. oh my god... Von Lau Dieses Buch war wunderbar zu lesen! Natürlich muss man den Army Hintergrund mgen. Mir gefielen die Geschichte und der Schreibstil total. Die innere Zerissenheit von Charlie ist sehr gefühlvoll beschrieben und die Handlung nimmt einige Wendungen, die Spannung erzeugen. Es freut mich sehr, dass es ein Happy End gibt ohne Cliffhanger. :) Gerne mehr.

Kurzbeschreibung First Sergeant Charlie Madison Today Ill make her come, and tomorrow, Ill make her quit. Under no circumstances should a woman be considered for the special forces. And certainly not the Green Berets. Ill be God damned if me or my brothers fall at the manicured hands of some sorority sister. Tomorrows the first day of US Army Special Forces training shes a recruit, and Im her CO and new living nightmare but she doesnt know that yet. Thats why Im going to show her whose boss, here, tonight in the bathroom of this shitty bar. She doesnt fight, she makes it easy but theres something about her, the way she gives herself to me but still holds strong while I take what I want. I cant let this hot piece of ass cloud my judgment. Tomorrows hell day, and its game on. By the time Im done with her shell be begging me for an escape, and Ill happily send her packing. Private Hannah Birk Volunteer as one of the first female Green Beret candidates Check. Unknowingly bang my hot-as-hell CO the night before training Check. Find out that our parents are soon to be married F*CK. Embrace The Suck (A Stepbrother Special Forces Novel) is a full-length contemporary / new adult romance novel. 125,000+ words in length. No Cliff. Lots of dirty sex. Kurzbeschreibung First Sergeant Charlie Madison Today Ill make her come, and tomorrow, Ill make her quit.
