This is a wonderful addition to the Savage Destiny series.Von Christine s1024015@admiral.umsl.eduEmbrace the Wild Land continues on the story of Abbie and Zeke. This story is another great one in the Savage Destiny series. The love

between Zeke and his Abbie-girl survives even though he is forced to go across the country to find his brother. I have never read a series as good as this one where every book is better than the last and I actually feel like I know the characters. When I put down the book I expect to walk out the door and see Abbie standing there with a gentle smile on her face as she watches her Zeke. I read the series for the first time last year and I have been readying myself to read it again. This time I've ordered the entire set because I just can't wait for the library to have them all at the same time, because I know once I start I won't finish until I've completed their story. Read *Embrace the Wild Wind* and read the whole series it is wonderful, fantastic, romantic, excellent! What else can I say? Mrs. Bittner has done her best.

**Kurzbeschreibung**The American Civil War plunges Zeke and Abbie Monroe into violence and separation, danger and torn loyalties. Their first-born son, *Wolfs Blood*, takes part in the Sun Dance, a tortuous ritual that initiates him into life with the Cheyenne. Then war forces Zeke to leave his family to join his white brother, Danny, in the conflict. Abbie is left to face a horrible fate at the hands of Zeke's worst enemy while he is gone. For the first time in their beloved marriage her strong, brave, warrior husband is not there to protect her. When Zeke returns to learn her fate, the worst violence in his savage soul rages forth to seek sweet revenge. Zeke and Abbie's love transcends loss and tragedy thrown at them by savage people in a savage land that can be tamed by only the bravest souls. *Embrace the Wild Land* is the fourth book in Bittner's *Savage Destiny* series, and one that has been out of print and unavailable for many years. Now you can own it through a download to your eReader!**PRAISE:**Power, passion, tragedy, and triumph are Rosanne Bittner's hallmarks. Again and again, she brings readers to tears. ~*Romantic Times***Extraordinary**Bittner's characters spring to life. ~*Publishers Weekly***ABOUT THE AUTHOR:**Named one of the *Pioneer Authors of Romance* by *Romantic Times*, Rosanne Bittner is the author of fifty-five historical romance novels, most set in the American West of the 1800s.
