Von John Ringo : Emerald Sea (Council Wars Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Emerald Sea (Council Wars Book 2) (English Edition):

Einfach eine interessante IdeeVon HotzenplotzDie ganze Council Wars Geschichte ist zwar etwas US-Patriotismus-lastig, aber die Idee dieser Gesellschaft, die aus einer Situation der vlligen Sorglosigkeit in eine Zeit der anarchischen Vorindustrialisierung geworfen wird, ist schon gut gemacht. Htte John Ringo auch weiterfhren knnen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fan of this seriesVon BruceWriting a review of a series I really enjoy is not really a fair review.Simple ready (6th-9th grade level depending upon the school.)In my opinion though occational

adult direction of material (war and hurting of people/creatures.)

Kurzbeschreibung "The Battle Against Those Determined to Rule the World or Destroy It Continues" In the future the world was a paradise and then, in a moment, it ended. The council that controlled the Net fell out and went to war, while people who had never known a moment of want or pain were left wondering how to survive. Duke Edmund Talbot has been assigned a simple mission: Go to the Southern Isles and make contact with the scattered mer-folk those who, before the worldwide collapse of technology, had altered their bodies in the shape of mythical sea-dwelling creatures. He must convince them to side with the Freedom Coalition in the battles against the fascist dictators of New Destiny. Just a simple diplomatic mission. That requires the service of a dragon-carrier and Lieutenant Herzer Herrick, the most blooded of the Blood Lords because New Destiny has plans of its own. The fast-paced sequel to *There Will Be Dragons* is a rollicking adventure above and below the high seas with dragons, orcas, beautiful mermaids and the irrepressible Bast the Wood Elf, a cross between Legolas and Mae West. At the publisher's request, this title is sold without DRM (Digital Rights Management).

"Pressestimmen" John Ringo's *Hell's Faire ...* [is] a must for people who like their war hard and straight ... a giant epic.... Ringo has become one of the writers whose work I jump first to when books arrive....
