AMAZING BOOK TOUCHING YOUR EMOTIONS!!!!!!Von KundeAn excellent book! very well written! easy to go through it and enjoy the moment of reading it!! Its a thriller which gives you the oppotrunity to think what are the emotions how they influence our lifes and if we could which one would you buy! a very innovative idea...could be even a great idea for a movie!!!!!!! Thank you Dimitri for giving us the chance to explore ourselves and our emotions!!!

KurzbeschreibungNobel prize winning Doctor Caroline Emerson is a guest on the extremely popular show Ten with Mary Ann to talk about her revolutionary discovery that is going to change the world. Dr. Emerson has finally found a way of clinically manipulating human emotions. All of a sudden, people are able to change how they feel, simply by visiting one of the Emotion Market clinics. The Doctors lifelong dream is going to be realized, and the world is going to be changed infinitely for the betterBut all is not as perfect as it seems. It is dangerous to tamper with emotions. A deep and rotten evil has been born. Some powerful forces who have much to lose from this development are hell bent on destroying the Emotion Markets and everyone that is associated with them. Kidnapping, conspiracy, blackmail, even murder are on the horizon. Corruption is everywhere and a storm is brewing. Can this evil be stopped or has Doctor Emersons ground breaking emotional discovery doomed humankind for evermore?
