Von Mark Lawrence : Emperor of Thorns (The Broken Empire Book 3) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emperor of Thorns (The Broken Empire Book 3) (English Edition):

Noch umfassender, gut auch unglaubwürdiger und betriebener, aber Jorg zieht sein Ding weiterhin konsequent durch und Lcken der vorherigen Bcher werden teils

Must read!Von CustomerMy favourite book series ever! All three books were a fantastic read and emperor of Thorns had an amazing end to an incredible story!1 von 2 Kunden fanden die folgende Rezension hilfreich. worst part of the trilogyVon KLI loved part I, 5 stars for me, for the black humor, sarcasm and action. I found part 2 ok, but part 3 misses all of the things I liked about part 1, and I didn't like the far too obvious ending and the plot about the builders. I recommend reading part 1 only.

KurzbeschreibungLawrence brings the Broken Empire series to its devastating conclusionThe path to the throne is broken only the broken can walk itThe world is cracked and time has run through, leaving us clutching at the end days. These are the days that have waited for us all our lives. These are my days. I will stand before the Hundred and they will listen. I will take the throne no matter who stands against me, living or dead, and if I must be the last emperor then I will make of it such an ending.This is where the wise man turns away. This is where the holy kneel and call on God. These are the last miles, my brothers. Don't look to me to save you. Run if you have the wit. Pray if you have the soul. Stand your ground if courage is yours. But don't follow me.Follow me, and I will break your heart.PressestimmenA hard-edged tale of survival and conquest in a brutal medieval world well told and very compelling, it is different than anything I have ever read.Terry Brooks, New York Times bestselling author of the Shannara seriesMark Lawrence is the best thing to happen to fantasy in recent years.Peter V.
