magic time Von Chris E. Again a book I really enjoyed. Channie is a witch and has to make a run with her family because of her Daddy. Moving to another state Channie meets Josh. Channie and Josh overcome a lot of obstacles to be together and this first love feeling the author brought all the way to the reader shone brightly throughout the book. I laughed at a few cliched lines the couple threw at each other. I enjoyed to see both protagonists growing fond of each other as well as seeing their characters evolvment in the book. I also liked the side characters Abby, Elijah and Aunt Wisdom.

Kurzbeschreibung ENCHANTMENT: Book One of The Channie Series Paranormal Platinum Award Winner OVERVIEW: When Channie Belks moves from her home in the Ozark mountains to a suburban Colorado high school, she tries to hide the fact she's a mage. It might have worked until her parents slapped a chastity curse on her for flirting with "dirty-minded, non-magical, city-boys." She can't even walk by a hot guy without zapping him. There's a way to break the curse; but one mistake could kill her. It's not worth the risk. Until she meets Josha BMX champion with a dazzling smile, washboard abs and the bluest eyes shes ever seen. Suddenly, the threat of death isn't such a deal-breaker. ***WARNING*** The characters in this book swear. They also think about, talk about and sometimes engage in sexual behavior. Praise for ENCHANTMENT "This book will make you believe in magic." --J. Timothy King "Magic, treachery, humor and thrills...flat out fun to read.
