Von Melissa Delgado : Ending a Torn Past (Journey Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ending a Torn Past (Journey Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 must love Jax starsVon Emmi RI can hardly believe I waited 2 years for this book. I loved the first book 'Ending a broken

journey', it is one of my alltimefavs and ever since I've read it, I was excited for Jax' story. Two years is a long time, you read other books, fall in love with other characters and the authors who created them and sometimes (unintentionally) you lose sight of the book you couldn't wait to read. This was so not the case for me with 'Ending a torn past'. No matter how many books I've read in these two years, Jax was never forgotten and I regularly checked if there were news about the release. I was so happy when I was finally able to read it. Before I started I made a short visit to Mackenzie and Drew's story and rereading the beautiful poems in their book made me wonder, if there would be something similar in 'Ending a torn past'. And in Jax' emotional journey we get wonderful, sad, heartbreaking lyrics

Kurzbeschreibung A present life worth moving on for. A past best left to memories tucked away. Jaxon Dean has reached a point in his life where everything is as it should be. He has the personality, the looks, and the charm, to basically get whoever he desires except Cassandra Tyce. She's immune to his playboy ways, quick wit, and over indulgence of himself. There is only one time he can recall having to work as hard to snag the one he had his sights set on. At a much simpler time in life, all he had to worry about was passing classes, hitching a ride to places, and collecting phone numbers. Although on his first day of high school, Jaxon found not every girl was susceptible to his charms. Could one person truly change his overzealous ways? An unexpected turn of events can leave even the toughest ones lost without hope... Hope of ever recovering, of ever wanting to see tomorrow, of ever feeling true happiness again. With the help of Cassandra Tyce, Jaxon will learn that sometimes, lying to oneself can be the sole reason a person stays torn. *This book contains adult situations and some explicit language.*
