Von Kresley Cole : Endless Knight (The Arcana Chronicles Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Endless Knight (The Arcana Chronicles Book 2) (English Edition):

Kurzbeschreibung In this seductive follow-up to *Poison Princess*, #1 New York Times bestselling author Kresley Cole takes us deeper into the dark world of the *Arcana Chronicles*. Shocking secrets Evie has fully come into her powers as the Tarot Empress, and Jack was there to see it all. She now knows that the teens who've been reincarnated as the Tarot are in the throes of an epic battle. It's kill or be killed, and the future of mankind hangs in the balance. Unexpected allies With threats lurking around every corner, Evie is forced to trust her newfound alliance. Together they must fight not only other Arcana, but also Bagmen zombies, post-apocalyptic storms, and cannibals. Gut-wrenching treachery When Evie meets Death, things get even more complicated. Though falling for Jack, she's drawn to the dangerous Endless Knight as well. Somehow the Empress and Death share a history, one that Evie can't remember--but Death can't forget...

The *Arcana Chronicles* will blow you away!" --P.C. Cast "My brain is near exploding with how crazy good this story was... An exceptionally well written plot that will have you turning pages and sticking up a 'do not disturb' sign. You won't want to be interrupted.
