Wieder sind Nikolas Mikkelsen und Ben Rider unterwegs, und wieder geht nichts wie geplant. Die Reise dieses Mal fhrt in die Klte, in mehr als einer Hinsicht. Und Nikolas sieht

sich einem Feind gegenüber, mit dem er - trotz aller Paranoia - nicht rechnen konnte. Die Bücher der "More Heat than the Sun"-Serie, beginnend in Band 1 mit "Love is a Stranger" sind eine der besten die ich in letzter Zeit gelesen habe. In jedem Buch sehen sich die Protagonisten Herausforderungen gegenüber, die sie meistern müssen, und jede hat Auswirkungen auf ihre Beziehung und ihre persönliche Entwicklung. John Wiltshire schreibt ausgezeichnete, unterhaltsame Bücher. Sein Schreibstil ist, meiner Ansicht nach, perfekt. Er geht keine ausgetretenen Pfade, jedes Buch hat einen originellen Plot; man hat nicht den Eindruck, das gleiche Buch in leicht abgewandelter Form schon mal gelesen zu haben. Er hat starke, eigenwillige Charaktere geschaffen, die einem lange im Gedächtnis bleiben, die Nebencharaktere sind hervorragend ausgearbeitet. Von mir: absolute, uneingeschränkte Kaufempfehlung. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful Von Ich und Frau Schmidt So. Now I have reached the end of the trip. It was wonderful. Oh my God. Literally. As always, full of evil surprises. But the guys did it one more time. They survived. And ... are richer in experience (Ben also of money - giggle). I admire the wonderful ideas of the author. It is not only the natural rigors that challenge to fight. To solve the question of faith, was a fantastic challenge. How I fight something whose existence is so different for everyone ... Thank you for this experience, this unique reading pleasure. And now I count the days until April ...

Kurzbeschreibung The supreme art of war is to subdue the enemy without fighting. Nikolas has always liked art. You'd have thought that Ben and Nikolas would have learnt that their romantic holidays inevitably end up as disasters. A short break on the polar ice sees them trapped in a nightmare of murder and deceit. Neither of them, however, foresees the long-term impact that endless winter has on their relationship. They return with a metaphorical darkness that threatens everything they have created together. Desperate and fearing for Nikolas's life, Ben makes a bargain with a surprising ally. For the first time, Nikolas meets an enemy more powerful than he is. But fortunately, not as sneaky... Kurzbeschreibung The supreme art of war is to subdue the enemy without fighting.
