I just loved reading this book.The first book in Avery Flynn's Sweet Salvation Brewery series is a great read. Miranda, a sexy and hard headed woman wants to save her families brewery. Logan, the more than handsome son of the bankers family in Salvation wants them to go broke so he can sell the land.The history of these two doesn't make it easier for them to reach their goal.It is a fast read with

interesting characters and just the right amount of sexiness to set your e-reader on fire, and there's beer in it, too. Thank you Avery, where is the next book?
