**Von Douglas Jackson : Enemy of Rome: (Gaius Valerius Verrens 5)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Enemy of Rome: (Gaius Valerius Verrens 5):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Another excellent sequel!Von customerThe perfect companion to this excellent series is the ROMA VICTRIX WINE BEAKER Roma Victrix Wein BecherEnemy of Rome is the fifth novel in the Gaius Valerius Verrens series, once

again Douglas Jackson triumphs with a blistering sequel of your pants sequel. As the previous reviewers have already given a general synopsis, it is only left for me to praise this authors superlative writing skills. From book one Hero of Rome the writer has gone from one triumph to another which is an outstanding accomplishment, bearing in mind how many authors with a long standing series fail to keep up the pace throughout. As in all his previous works the authors minute attention to historical facts, interwoven with intrigue, visceral bloody battles, engagements and three dimensional characterisations, keep the reader totally immersed to the point when one eventually reaches the final page you are left with a craving for more. Douglas Jackson, is to my mind, one of the foremost Roman novelists today whose knowledge of Roman military history is second to none, combined with the rare gift of actually immersing his readers thoroughly into his breakneck prose. Carry on the good work Douglas, waiting in anticipation for sequel 6.

Kurzbeschreibung Summer, AD 69. Rome and its empire are in turmoil, caught in the coils of a desperate and destructive civil war. The emperor Otho is dead by his own hand and his rival, Aulus Vitellius, occupies the imperial throne. However, a new challenge has arisen in the East the legions of Titus Flavius Vespasian have declared him their Emperor. In the dry heat of an August morning, Gaius Valerius Verrens prepares for his last day on earth. Wrongly accused of deserting his legion on the field of Bedriacum, it seems he is destined to die a cowards death. Then the executioners hand is stayed. Vitellius' enemies will spare the life of the man who was once Hero of Rome if he pledges allegiance to Vespasian and his cause. Valerius tired of the endless slaughter and hoping that he might be reunited with his lost love agrees. And so he must battle his way south to Rome in order to persuade his friend Vitellius to stand down for the greater good of the city, its people and the Empire. But this is civil war and this is Rome, and Valerius his loyalties divided and branded an enemy of the people is trapped in a maze of distrust, corruption, betrayal and blood-letting . . . Pressestimmen "A master of his discipline rightly hailed as one of the best historical novelists writing today." --Daily Express "Superb battle scenes . . . I was gripped from start to finish." --Ben Kane, author, The Forgotten Legion Werbetext Bravery and brutality at the heart of a Roman Empire in the throes of bloody civil war - Gaius Valerius Verrens returns in the new historical novel from a writer to rank alongside Ben Kane and Simon Scarrow.
