Von Christiane Heggan : Enemy Within (Mira) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enemy Within (Mira):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heggan surpasses her own standard of excellenceVon Ein KundeRachel Spaulding loves winemaking. Her goal in life is to insure that her family vineyards are internationally recognized as some of the best. When her beloved Grams dies, Rachel inherits the vineyards while her sister Annie gains the house. Annie is livid because she is older and Rachel is adopted.Using her feminine ploys, she persuades private investigator Gregory Shaw to investigate her sibling's biological mother. Inadvertently, Greg sets in motion a series of events that leads to the public exposure that Rachel is

the daughter of Alyssia Dassante, the woman who killed her spouse and died soon after. Alyssia is actually living overseas. As an apologetic Greg agrees to help Rachel meet Alyssia, they fall in love. However, their inquiries have opened up a three-decade-old murder mystery in which the real killer plans to murder anyone who gets in their way. **ENEMY WITHIN** is an exciting romantic suspense thriller that readers will fully enjoy. The story line never slows down as events keep coming that push the tale forward. Rachel is an intrepid heroine and Greg is the hunk who will do anything to keep her safe in his arms. The support cast adds a California wine country flavor to the book. Christiane Heggan can always be counted on for a tight tale and her latest novel proves the truth of that statement. **Harriet Klausner** 0 von 0 Kunden fanden die folgende Rezension hilfreich. Late night bookworms beware **Von BRIAN LAUCK** This is the first book of Christiane Heggan I have read. I loved it I couldn't keep my nose out of it. I was up until 3:00 A.M. until I finished it, then I passed it on to my mother. I went out and looked for more of her books. Unfortunately, I only found one, but I'll keep looking for more. Her characters are real and you can relate to them. I thought I had everything figured out, but when I got to the end of the book I was surprised at who actually committed the murders. I think if you want a really good, fast paced thriller you should buy this book and any others you can get your hands on. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Predictable plot twist, nothing special **Von R. Spaulding** I didn't start this book with high expectations, given that I read it only because the main character and I share a name (Rachel Spaulding), and that amused me. Even with those low expectations, though, I have to say I was fairly disappointed--the book was very formulaic and even the plot twist was predictable if you know how this sort of book tends to play out. If you're looking for a quick, brainless read, this book is okay, but you're a good bit better off with Mary Higgins Clark. Still, Christiane Heggan has darn good taste in names for her heroine.

Kurzbeschreibung Thirty years ago, a woman accused of murdering her husband placed her newborn daughter on a convent's steps, then staged her own death. She leaves behind a mystery that would return three decades later to rock the family. When Rachel Spaulding inherits her family's Napa Valley vineyard, it's a dream come true for the adopted daughter of loving parents. But her legacy is greeted with bitter hatred by her sister, Annie, who vows to do whatever it takes to discredit Rachel and claim the Spaulding vineyards for herself. And Annie begins by hiring a detective to dig into Rachel's past. This was supposed to be a routine investigation, but P.I. Gregory Shaw realizes too late he's been used. When the information he uncovers for Annie leads to the reopening of a sensational murder case, he can't walk away. Especially when he feels responsible for the pain it's causing Rachel Spaulding. But even Gregory is unaware of the danger emerging from three decades of deceit. And even he can't recognize the enemy within who knows there is only one way to lock the door of the past forever. **Murder.**
