**Von Carmen Jenner : Enjoy Your Stay (Sugartown Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Enjoy Your Stay (Sugartown Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyed My Stay in Sugartown!Von Tea PPregnant Holly Harris was a wonderful, funny and adorable character. Well, she was also horny as hell. She found her match in Sugartown's gorgeous bad boy Jackson Rowe, who was her best friend's

cousin and their flatmate. Sizzling hot chemistry between those two combined with feelings they were both too stubborn to admit to, Carmen Jenner had me rooting for their happy ending from the beginning. Not only in the bedroom, Jack took care of Holly, even though her baby wasn't his, which, of course, added to their complicated relationship. They drove each other crazy and my heart broke for them more than once. I also laughed a lot. The banter between those two was damned funny. But when hot Jackson Rowe showed his sweet and loving side, something tugged at my heartstrings, and I teared up again. I really felt for him. Enjoy Your Stay was a quick, but absolutely great read. Ms. Jenner really knows how to keep me entertained, as I just couldn't put this one down. 0 von 0 Kunden fanden die folgende Rezension hilfreich. no, no, no - on of the worst books written in this genre ! Von missmorelli 10% story, 90% f\*\*\*ing! The H is a stupid idiot but sometimes funny. Holly is a nightmare! I didn't like her at all. She was a bitch to everybody, to Coop, to Jack, to Bob, to Cel, to Ana, to her parents, to the nurses. She acted so immature, she is trashy, stupid, has a big mouth and is a whore. Sorry, my kindle showed the writer used 473 times the f\*\*\*\*\* word, there's a lot of bad language in this book. I normally love this genre, so some dirty words are hot. But this here was just disgusting. Never read a book with such a unsympathetic h. Absolutely no recommendation

Kurzbeschreibung The last thing Holly Harris expected was to wind up nineteen, knocked-up, and all alone. When Coop left to pursue his dreams of becoming a rock god, he left a tiny piece of him behind. Holly wishes he hadn't. Jackson wishes he hadn't. Jackson Rowe tried filling the void his family left by drinking, screwing around, and leaving a string of heartbroken women in his wake. Moving back to Sugartown should have been easy, but he hadn't counted on the fact his sometimes attraction to Holly would still be alive and kicking and he sure as hell hadn't counted on her being pregnant with another man's baby. They drive one another crazy, and yet they can't stay away. When old flames resurface, and even older wounds are torn open, can two people so similar make it work? Or will their stubbornness only drive them further apart? \*Content Warning. Intended for a mature 18+ audience. Contains angst, a crap-tonne of profanity, short-tempered Australian wildlife, and some very pregnant sex. She's also a compulsive, flagrant prevaricator who now gets to make things up for a living. While Sugartown may not technically exist, Carmen grew up in a small Australian town just like it, and just like her characters, she always longed for something more. They didn't have an Elijah Cade, though. If they did, you can be sure she would have never left.
