Von Viola Rivard : Enslaved by the Alpha: Part Three (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enslaved by the Alpha: Part Three (English Edition):

Is Erik actually caring for Astrid? Erik cannot stop the flood of emotions that he tries so hard to push away. His pack comes first, maybe? Determined to find and bring home her sister Astrid provides more details of how Ginnifer came to be with Zane. Erik is now more determined to use this information to strengthen his pack. Astrid thinks that maybe Erik is changing,

softening to her, WRONG! On the journey Erik cannot see past his own snout. Only till his brother forces him to see that Astrid is not well. Guilt now plagues Erik. How could he not see that he is hurting Astrid. This is a great page turner and Viola gives you bits and pieces at a time. I love the raw edge to this writing style. Will Astrid find her sister? Will Erik succumb to the call to be mated and sire offspring!?! This is a fast read and should be read in sequential order.

KurzbeschreibungWhen she reveals new information about her sister, Astrid inadvertently makes herself far more valuable to Erik. Soon, she finds herself setting out across the tundra with the alpha, bound for Siluit territory.Away from the pack, neither of them is prepared for the way their relationship begins to change. And as Astrid finally reaches her breaking point, Erik reacts in a way that he could not have predicted. This is the third part of an ongoing story. It is not a standalone.KurzbeschreibungWhen she reveals new information about her sister, Astrid inadvertently makes herself far more valuable to Erik.
