Von Viola Rivard : Enslaved by the Alpha: Part Two (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enslaved by the Alpha: Part Two (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Enslaved WolfVon RobynThat is a whole lot of wolf! Erik continues to have doubt and confusion when it comes to Astrid. Does he care? Can he mate her? Is he fed up with her? Erik is mad as heck because all of these emotions are not like him. HE has one focus and that is the Pack and his fellow wolves. He does not have time for this human, this Astrid. Yet his body craves her. Sven, Erik's brother has already stated that a human woman is so complex she will

break him... I love and hate Erik. Astrid needs a good swift kick in the pants as well. Sexual energy rides high in this second installment. I cannot wait to read more.

KurzbeschreibungEvery time Astrid thinks shes making progress with Erik, it becomes clear that he has little regard for her feelings. While shes beginning to find her place in the pack, she still struggles to find leverage over the alpha who owns her.Erik continues to grapple with his wolf over Astrid. The animal seems to think shes his mate, and theres nothing he can do to dissuade it.This is the second part of an ongoing story and is not intended to be read as a standalone.KurzbeschreibungEvery time Astrid thinks shes making progress with Erik, it becomes clear that he has little regard for her feelings.
