Von Danielle Lyons : Enthralled, Book 2: Succumbing to Slavery (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Enthralled, Book 2: Succumbing to Slavery (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. well worth a read! Von Erika H. I've read too many good premises ruined by bad writing, so it's a delight to find an author with a way with words. Her style is neither too blunt and clumsy nor too ornate and convoluted; just right to support a good piece of smut rather than distract from it. The plot and premise is simple and hot, a predictable trap laid out so deliciously you'll be eager to see it spring up and close. Book 2 (which I especially recommend) shows an aftermath written so vividly you'll find yourself sharing the main character's urge for release - and get your just reward in the end

too!

KurzbeschreibungThe sequel to "The Billionaire's Trick". A normal night at work for escort Annie Lovett was thrown off course when her john, a devious billionaire called Stefan, made her his moaning, begging cock-slave. Now he wants her to keep a promise that she made in the heat of the moment: a promise to be his forever.Can she resist, or will the lure of sex and domination get the better of her? And when the sex-enhancing drug he gave her shows its side-effects, can she endure them, or will she become a slave to her own desperate, needy body?Struggling against her own amplified desires, she's only teasing herself. And it can't be long before the compulsion gets too strong to resist. Especially when giving in to it promises her pleasure beyond her wildest dreams.Perhaps Annie can escape her thrall but how badly does she really want to be free?KurzbeschreibungThe sequel to "The Billionaire's Trick".
