**Von Peter May : Entry Island (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Entry Island (English Edition):

Kurzbeschreibung **IF YOU FLEE FATE...** When Detective Sime Mackenzie is sent from Montreal to investigate a murder on the remote Entry Island, 850 miles from the Canadian mainland, he leaves behind him a life of sleeplessness and regret. **FATE WILL FIND YOU...** But what had initially seemed an open-and-shut case takes on a disturbing dimension when he meets the prime suspect, the victim's wife, and is convinced that he knows her - even though they have never met. And when his insomnia becomes punctuated by dreams of a distant Scottish past in another century, this murder in the Gulf of St. Lawrence leads him down a path he could never have foreseen, forcing him to face a conflict between his professional duty and his personal destiny.

Praise for Peter May: He is a terrific writer doing something different. (Mark Billingham) From the first page I knew I was in safe hands. I knew I could trust this writer. (Sophie Hannah) Wonderfully compelling. (Kate Mosse) A true pleasure to read. (Guardian) Peter May is a writer I'd follow to the ends of the earth. (New York Times) One of the best regarded crime series of recent years. (Independent, on the Lewis trilogy) Lyrical, empathetic and moving. (Alex Gray) A wonderfully complex book. (Peter James, on Entry Island) May's novels are strong on place and the wounds left by old relationships. (Sunday Times) Will have the reader relishing every tendency of description and characterization. (Barry Forshaw Independent) Dark, exciting and atmospheric. (Scotland on Sunday) Powerful and authentic. (Scotland on Sunday)
