keep going! Best entertainment for a fan of the Genre, ever. This time we have a lot of surprises, some good, some bad. Josh and Loki have their moments, the Ghatazhak are brilliant again and the battle for Karuzara is to die for. Had me so in its grip I could hardly spare time to take air. And that there was a spy did not come as a surprise. And I have a strong suspicion about its identity. Yes, I used the it form on purpose. Leave it to Nathan and Jess to uncover, and some fun for my fellow readers. Hope the next book comes fast. However, I know it is worth the waiting.

Allerdings viele gleichartige Kampfszenen, Ideenreichtum der ersten Bände fehlt deutlich. Aber wenn man sämtliche Bände bereits gelesen hat, nimmt man das gerne in Kauf.
