I thoroughly enjoyed it. I read this while trying to stay awake during the night. I ended up wide awake wishing it was longer. Be warned this has explicit sex scenes BDSM. This author never fails to captivate my attention. I'm always waiting for her next book to

come out. I've read several of hers now she hasn't disappointed me yet. Received this on return for an honest review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Was lange whrt ... Von mockingbirdMackenzie arbeitet in einer Bar. Dort sieht sie jeden Abend einen mysterisen Fremden auftauchen, immer um dieselbe Zeit, denselben Drink bestellend. Oft mit Begleiterin, die Mackenzies Sehnsucht erweckt, an ihrer Stelle zu sein. Doch der gut aussehende Fremde ignoriert sie immer. Bis eines Abends ... Sehr romantische Erzhlung aus der Perspektive der Protagonistin. Enthlt eine sehr sinnliche Beschreibung einer Liebesszene mit passender Musik, partieller sensorischer Deprivation, Bondage, Spanking, anal Play usw. Im Epilog wird nochmal die Perspektive des Fremden aufgenommen und "wenn sie nicht gestorben sind, leben sie noch heute". Niveauvolles Buch, das ohne langweilig zu werden, eine sanft ansteigende Spannung aufbaut, bis der Hhepunkt der Handlung erreicht ist und zu seiner Auflsung kommt. Kurz gesagt, es hat seine 5 Sterne verdient.

Kurzbeschreibung A man with no name. Mysterious. Dangerous. Brooding. Sexy. Once a week he frequents the bar where Mackenzie works. He orders the same drink, scotch on the rocks, and he sits back on the same lounge chair, quietly watching waiting. He has money - that much is obvious. He wears his tailored suits well. He smells divine, of expensive cologne, and orders his scotch from the top shelf. He drinks alone, but he never leaves that way. With a snap of his fingers, a flick of his eyes, a glimmer of a smile, he gets the attention of the most attractive women in the bar. This time his focus is on Mackenzie. Instead of feeling nervous Mackenzie is enthralled, intrigued and aroused. PLEASE NOTE: This was originally written as a stand alone short story but after numerous requests for more, it has recently been turned into a series. Book two, Eraser Blue, and book three, Eraser Lilac, are both now available. WARNING: This novella contains explicit sex scenes (including BDSM) and is for mature 18+ readers only.
