Season Series Book #5 Author: V. Vaughn Reviewer: Stephanie Jordan And here we have book #5 and I just finished book #6.. Ms. Vaughn has written each book so it can stand alone, which is a great read because each one is a different HEA. Kayla Hayward comes back to Winter Valley for her 5th reunion and doesn't go back home. Instead she becomes the soccer coach at the high school, where she lives in her parents summer cabin by the lake. Everyone tells her don't go out at night the Wolves will eat you, but really all they do is hide and howl. All she can think about is her amazing kiss on grad night with Ergan 5 years ago. She'll never forget it, it was Magic!!! Ergan Wakefield is the high school coach. He loves his job but when he sees Kayla again he can't stop looking at her, thinking about her. And boy does he remember that kiss. He has to stay away from her, it was too dangerous to be with her. She's human and he is a wolf. I was gifted this ARC for an honest and truthful review. Von midniteink ERGAN- Winter Valley Wolves Book 5-A spicy suspenseful romantic story. What you'll find in this story; a cast of awesome, impressive and engaging characters, spectacular story-line, picturesque and memorable scene descriptions, fantastic banter, gripping suspense, life threatening incidents, sizzling heart-throbbing pulsating romance, and a melt your heart conclusion that leaves you content and wanting more. Kayla is loving every minute that she is back in her home town, and is also proud that she left her abusive ex. Kayla enjoys sitting on the dock by the lake listening to the wolves howl, as romantic fantasies of werewolves and fated love whirl through her mind. In her heart she desires that Ergan would want her, but he keeps avoiding her advances. Spectacular fast paced well written read by a truly gifted author. I relished this story, a most delightful read. The characters come alive with vivid scene descriptions, they are convincing and certainly praise-worthy. Kayla is spirited and Ergan's devotion and protective instincts shines like a beacon. If you dote on shifter romance this is a terrific choice for your library. {I was given a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book and the series.
