Von Tim Pilcher : Erotic Comics: A Graphic History, Vol 1 (PB) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Erotic Comics: A Graphic History, Vol 1 (PB) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Auch spannend das... Von Christoph Kumpa Noch mehr interessante Geschichten mit tollen, scharfen Beispielen, witzig auch, wer sich alles von Comiczeichnern in unerwartete erotische Situationen bringen lassen musste. Wer Teil 1 gut fand, muss auch Band 2 haben.

KurzbeschreibungCrammed full of exquisite art from around the world, with fascinating background stories about the artists, editors and publishers, Erotic Comics: A Graphic History examines how this much maligned artform developed into a publishing phenomenon that spans the globe. Volume 1 delves deep into comic history, from the bawdy English cartoons of the 17th century, through the magazines impacted by the two World Wars, up to contemporary magazine titles such as Penthouse and Hustler. The book bulges with sassy postcards, provocative Tijuana Bibles, salacious pin-ups, shocking '50s bondage comics, cheeky cartoons and liberated '60s underground comix. Erotic Comics: A Graphic History is perfect for fans of adult comics, art history and erotic illustrations. Erotic Comics: A Graphic History examines how this much maligned artform developed into a publishing phenomenon that spans the globe. Volume 1 delves deep into comic history, from the bawdy English cartoons of the 17th century, through the magazines impacted by the two World Wars, up to contemporary magazine titles such as Penthouse and Hustler. The book bulges with sassy postcards, provocative Tijuana Bibles, salacious pin-ups, shocking '50s bondage comics, cheeky cartoons and liberated '60s underground comix. Erotic Comics: A Graphic History is perfect for fans of adult comics, art history and erotic illustrations. Synopsis "Erotic Comics: A Graphic History" examines the way this artform developed from the bawdy cartoons of 17th century England into a modern publishing phenomenon that spans the globe. Volume 1 uncovers the rise of saucy postcards and the provocative comic books known as Tijuana Bibles, and reveals the unexpected implications of social upheavals such as the two World Wars on erotic comic art. The rise of men's magazines in the 1950s, and the cartoons they contained, helped push the medium to the fore, as did Playboy founder Hugh Hefner. Later titles such as "Penthouse" and "Hustler" actively supported the artform. The underground comix movement of the 1960s reflected the sexual liberation of the era. Deliberately overstepping boundaries and breaking taboos, the work of cartoonists like Robert Crumb and Howard Cruse expanded new-found freedoms and courted controversy. With exquisite art from around the world and fascinating interviews with the artists, editors, and publishers, "Erotic Comics: A Graphic History" is perfect for fans of adult comics, art history, and erotic illustrations.
