Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Vampire zum Wnschen Von Renate H. Anthony und Nicholas sind Brder, die nicht normale Vampire sind, sondern sie erflfen

Wnsche. Und das fr 2 Wochen. Die einzige Bedingung, sie mssen mit Blut gefttet werden. Tessa ist seit einem Feuerunfall vernarbt, und mchte wenigstens fr 2 Wochen ein normales Leben haben. Anthony erfllt diesen Wunsch und noch viel mehr. Marie mchte endlich einen Heiratsantrag nach 5 Jahren Beziehung. Nicholas zeigt ihr, warum ihre Wahl nicht gut ist, warum er viel besser geeignet wre. Diese zwei Kurzgeschichten sind gut und witzig. Solche Vampire gab es bisher noch nicht. Der Sex ist hei, lsst keine Wnsche offen. Ich bin schon auf die Fortsetzungen gespannt. Leseempfehlung fr alle, die es gerne heier haben mit Happy End.

Kurzbeschreibung***Two-Book Bundle!*** National Bestselling Author Sheri Whitefeather presents two wildly tender, deliciously sexy, bite-size paranormal romances from her Blood Genie series! The heroes in these books are brothers, but they are also gen-vamps, vampire-genie hybrids who grant wishes for the exchange of blood. Book 1: As a teenager, Tessa Clarins was damaged by a fire, and now the scarred twenty-five-year-old virgin has been made beautiful by a wish. But Tessa's wish is only temporary, and so is her affair with Anthony Dumont, the wildly romantic "gen-vamp" feasting on her veins and stealing her innocence. Night after night Tessa puts her heart on the line. But so does Anthony, leaving sex, love, and secrets in his blood-hungry wake. Book 2: Marie North has known about gen-vamps since she was child, but she never expected to yearn for a wish. Nor did she expect that Nicholas Dumont, the hot-as-hell hybrid granting her wish, would prey on her emotions or charm her into playing bondage games. But worst of all, this dangerously sexy blood-drinker is determined to seduce Marie into falling in love with him.
