Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book Von Book worm This is a sectors romance book. But it is completely readable as a stand alone book. Aliens,

complots, a desperate trek through a planet full of dangerous enemy soldiers, monks, magic, this book has it all. And off course a great hero and heroine.

Kurzbeschreibung Andi Markriss hasnt exactly enjoyed being the house guest of the planetary high-lord, but her company sent her to represent them at a political wedding. When hotshot space marine Captain Tom Deverane barges in on the night of the biggest social event of the summer, Andi isnt about to offend her high-ranking host on Deveranes say-sono matter how sexy he is, or how much he believes they need to leave now. Deverane was thinking about how to spend his retirement bonus when HQ assigned him one last mission: rescue a civilian woman stranded on a planet on the verge of civil war. Someone has pulled some serious strings to get her plucked out of the hot zone. Deveranes never met anyone so hard-headed or so appealing. Suddenly his mission to protect this one woman has become more than just mere orders. That mission proves more dangerous than he expected when rebel fighters attack the village and raze it to the ground. Deverane escapes with Andi--barely. On their hazardous journey through the wilderness, Andi finds herself fighting her uncomfortable attraction to the gallant and courageous captain. But Deveranes not the type to settle down, and running for ones life doesnt leave much time for romance. Then Andi is captured by the rebel fighters, but Deverane has discovered that Zulaires so-called civil war is part of a terrifying alien races attempt to subjugate the entire Sector. If he pushes on to the capitol, Andi will die. Deverane must decide whether to save the woman he loves, or sacrifice her to save Zulaire. ESCAPE FROM ZULAIRE is part of the SECTORS SF ROMANCE SERIES.
