Suspense with a twistVon CustomerEscape To Love Described as an urban suspense-novelette, *Escape to Love* is just that. And it delivers. The 'hero' in this book is an escaped prisoner on the run. Can such a person truly be a hero? Does the ultimate act of heroism in a mother's eyes make him a hero? Maybe not immediately, a mother's instincts are always to protect her child, so would she/could she let such a man into her life and into her heart? Women's instincts play a part, too, in this gripping story of love and trust. Maria, in a way, is also on the run, living a hand-to-mouth existence on a low income. Trying to escape poverty and violent past relationship, her priority in life now is her special needs child. I was intrigued by the dilemma this book presented. I wondered whether the author could pull it off. The story is in the telling. I won't spoil it by telling more. Suffice to say I was sold and would definitely recommend it. I liked the juxtaposition between the working class heroine and the well-to-do hero, which presented love with more of a challenge. Why not get a flavour of the book and take a 'look inside' on ? I certainly wasn't disappointed. Full marks, too, to Emma Calin for making this available as an Audio book, giving the reader an alternative reading pleasure - and, of course, catering for those with sight impairment. For interest, my adult son and partner also read and enjoyed this book.

KurzbeschreibungEveryone is trying to escape their past - but some have more to conceal than others.A story of love, trust and suspense.Even in the barren wasteland of urban decay new green life is possible. In *Nature and in Love*, that which can be, somehow finds a crack, a corner or ledge and grasps its chance of life. A woman on the run from domestic violence with no one but her vulnerable and damaged teenage child as a companion, lives in isolation and fear. While her hand to mouth scenarios are played out in the shadow of a threatening suspense, a story of crime and love unfolds around her. She cannot risk her child. Her own longings for love and romance have to take a poor second place. When the fallout from a prison break, a hero rescue and a murder mystery crash through her door and into her need and loneliness, it is no longer a crime story. It is a question of when Love in itself is a crime and how far a woman will go in its name and for those she loves.Popular Quotations from 'Escape To Love'"Her loneliness was like a still mountain lake, reflecting only her." "She felt that weight of a kiss not yet kissed on her lips." "Already it was day for half the world and half the seas had left their debris on half the sands. A tide was coming in and would take him." s:"The characters are well drawn and the story is well-written." "I liked the juxtaposition between the working class heroine and the well-to-do hero, which presented love with more of a challenge." "I cannot begin to tell you how much I enjoyed reading *Escape to Love* by Emma Calin." "The pace is fast, you keep turning the pages to find out how it will all work out." This edition includes a link to a FREE copy of Emma Calin's bestselling short story "Sub-Prime".Scroll up and grab a copy today.KurzbeschreibungEveryone is trying to escape their past - but some have more to conceal than others.A story of love, trust and suspense.Even in the barren wasteland of urban decay new green life is possible.
