Stephanie Jordan WOW I so love the way Ms. Vaughn ties everything up and you'll love the hunky studs in the Series in Winter Valley Wolves at Silver Lake. Dr. Andi Thompson knew she was in trouble all the signs were there her leukemia was back stage 4. She can't do it again she has decided to forgo chemotherapy no more.. She just had a little time she wants to live a little something she hasn't done since she blew it with Esher. Dr. Esher Wakefield is a pediatric doctor and a Werewolf. As he heads to the bar he sees Andi right away why was she here she never comes to the bar? Than he saw the bruising and knew Andi was sick again, he knew he needed to help her there was no options, Andi was his True Fated Mate and he loved her. I was gifted this ARC for an honest and truthful review. Von midniteinkESHER- Winter Valley Wolves- Book #7- A heart-melting romantic story of true love. This story features; Esher, a sultry, buffed, charismatic, pediatrician and werewolf; Andi, a sexy, beautiful human and head of the scientific research at the university. What you'll find in this story; a cast of remarkable impressive and engaging characters, fabulous story-line, dynamic vivid scene descriptions, camaraderie, heart-rending moments, an abduction, pent-up rage and desires, spine-tingling heart-pounding sensual romance, and a fabulous conclusion that leaves you wanting more. Andi has come out of remission from her leukemia and goes to see Esher for help. Dr. Sand is now working at the university, and is eager to have Andi work with her to capture a werewolf to test their blood and use Andi as a test subject. SPECTACULAR fast paced well written heart-warming read by a truly gifted author. The characters are more than convincing and certainly praise worthy. The story-line keeps the attention of the reader with powerful scene descriptions. I absolutely relished this story, a most gratifying read from start to finish. If you enjoy shifter romance this is an excellent choice for your library. {I received a copy of this book for a completely honest review}. In the world of paranormal romance the possibilities are endless and always fascinating. Without reservations I recommend this book..

Kurzbeschreibung Andi Thompsons days are numbered. Her cancer is back with a vengeance, and her only hope for survival pumps through the veins of her ex-boyfriend, Esher Wakefield. Back in college the werewolf saved her with a vial of his blood. But Andi took her good fortune too far, and her actions nearly revealed the Silver Lake wolves for what they really are. Esher Wakefield is a successful pediatrician and respected member of his wolf pack. The only thing missing in his life is his true mate, Andi. Unfortunately curing her years ago jeopardized his very existence and forced them apart. When Andi comes to him as her last hope at survival, he knows he must save her. But cancer isn't the only thing that threatens to take away the love of his life. Kurzbeschreibung Andi Thompsons days are numbered.
